PRESS RELEASE

# Officially Licensed Volk Racing TE37 Wheels

Traxxas' officially licensed Volk Racing TE37 wheels are now available in two new accessory styles: satin chrome and bright-chrome center with green rim. The famous TE37 design is popular with high-performance car enthusiasts world-wide and is featured (in solid green) on the 1/16 Ken Block Gymkhana Fiesta. The new satin-chrome and chrome/green Volk Racing TE37 wheels are sold in pairs and are standard touring-car size with 4mm offset and a 12mm hex to fit all Traxxas 1/16 vehicles and all standard 1/10 scale touring car platforms. The chrome/green rims are also available with mounted Gymkhana-compound slick tires.
